Our 63rd year

Presidents' Square

Talked to Drew (Krannert Manager) this week. Still no indication as to when the facility will open for "indoor rentals". Told him we would like to have our first dance of the year on May 27 – that would be our Black and White Memorial Day dance. He, of course, could not commit to that date, but at least he knows we would like to reserve the date. We could only have the dance if everyone has had their COVID shot or have recovered from the virus. So everyone – GET YOUR COVID VACCINATION!! A few clubs around the state have started dancing, but don't think we should start until we can be sure we have a safe environment. We have callers lined up for the second half of the year and Jan Smith has committed to cueing the rounds when we start dancing again.

*****A reminder – send your 2021 insurance payment (\$4.85) to Lisa Dee Guy. Her address is in the directory.***

"Happiness cannot come from without. It must come from within. It is not what we see and touch or that which others do for us which makes us happy; it is that which we think and feel and do, first for the other fellow and then for ourselves."
