Our 63rd year

Presidents' Square

Happy New Year square dancers – and we really mean that. We are so bummed that we have missed out on almost a whole year of doing our “happy feet” thing. But the C-19 vaccine should let us get in at least a half year of “trading the wave” if we can remember how to do that. Thankfully, we old timers will be near the front of the line to get the non-alcoholic Corona shot though I have considered knocking back a few of those with the lime slice in the bottle neck. Anyway – here is our blessing for you in 2021:

***“May the Lord bless you and keep you,
May the Lord turn His face toward you and be gracious to you,
May the Lord make His countenance to shine upon you,
And give you peace.”***

HAPPY NEW YEAR!!!
