Our 64th year

Presidents' Square

We closed out 2021 in a grand way by graduating 13 students from our Mainstream class. Some snowbirds had already left, but we still had 8 students accept their certificates from our excellent instructor, Gary Hutton. We had a really nice Graduation Dance and Gary even threw in a Plus call or two in the last tip. Several students have already joined our club and we hope to get more as they complete the Plus lessons. The following students were awarded certificates for completing the Mainstream curriculum.

***Certificates will be mailed to those who were unable to attend the graduation.**

Plus lessons begin on Tuesday, January 4, 7:30-9:30 PM. Lessons will continue in the Krannert gym at 605 S. High School Road. Cost of lessons will be \$3.00 per person per lesson. New Mainstream grads and veteran dancers from all clubs across the state are welcome to come. Hope to see you there.

Keep On Dancing!
