Our 63rd year

Vice Presidents' Square

We are still adjusting to dancing in the Krannert gymnasium, but we're getting better with every dance. Hopefully, we will be able to soon go back to dancing without the COVID restrictions that have been SOP for the past year. We are starting to plan for the Fall dance lessons beginning September 7. Start recruiting now to get your friends and family to take the lessons. Not pointing any fingers here, but some of us old dancers could also use some brushing up on "Relay the Deucey" and "Teacup Chain". Would like to see lots of Angels this year.

Let's make this the best class ever.
