Our 61st year

Presidents' Square:

*****May Day! May Day! May Day! But not to worry—OUR ship is NOT going down! On the contrary, our ship (aka Square Dancing) is on the rise. And our Club continues to be strong and growing. Laughing Squares' May Days will definitely demonstrate that as we dance on both May 9th and 23^d and get ready for summer dancing.***

*****Find those black-and-white outfits and get ready for our Checkered Flag dance on May 23^d!***

*****As the air conditioning at Krannert won't be turned on until May 31st, we'll start dancing casual in May. And remember that there's a group in our room until right before 7:30 on Thursdays, so there's no need to arrive before 7:25—just be ready, when we do get in, to help set up the chairs, the ticket and caller/cuer tables and the food tables! Thanks for all your help—it's very much appreciated!***

Keep On Dancing!
