**WE ARE DANCING!!!** May 27th will be our first dance since the COVID pandemic hit us. This will be our Black & White (aka Checkered Flag) Dance. The dance will still be at Krannert, but we will be dancing in the gym for the remainder of the year. We were required to submit a COVID Mitigation Plan to the Marion County Health Dept. This was done and we received approval for our plan. A summary of the Plan requirements follows:

1. Maximum allowed capacity for the room is 49 people.
2. Face coverings are required for all who enter the facility; face coverings will be provided if needed.
3. Social distancing will be practiced when not dancing; minimal touching is recommended.
4. Dancers will be required to sign in with name, phone no., vaccination status (all, one, none, etc).
5. In the event contact tracing would be required, club officers will carry this out and ensure that Marion County Health Dept. guidelines are followed.
6. Members will be informed before the dance to stay home if they exhibit any of the following symptoms: fever, vomiting, nausea, coughing, runny nose, etc.
7. Those who are immunocompromised or have serious underlying health conditions will be advised to stay home.
8. A club officer will screen all attendees. Those exhibiting the above symptoms will not be allowed to enter the facility.
9. No spectators or children will be allowed to attend the event.
10. Members and guests may use the rest rooms and the commons area.
11. Drinks are restricted to bottled water. Only packaged snacks may be eaten in the commons area. No food or drink are allowed in the gymnasium.
12. Sanitary gloves will be provided for those who want them. All chairs, tables, other equipment used in our activity will be sanitized after the event.
13. EPA approved hand sanitizers will be available throughout the room, frequent use will be encouraged.
14. An announcement will be made before the dance repeating the above requirements and reminding all of the dangers of COVID 19.

We will send e-mails before the dance with any further instructions and with requests for volunteers to help staff the additional various COVID check.
