Our 62nd year

Presidents' Square

Drew Oechsle, Krannert Manager, tells me that the facility will likely be closed for our type of activity until the end of the year. We may delay the start-up of 'Laughing Squares' square dancing until the COVID-19 vaccine is approved and made available to us. We, the officers, are considering making 2020 a 'lost' year for the club due to the pandemic. The by-laws do not provide for a catastrophic closure of club activities as has occurred this year. Doing this would allow us to continue with the current officers in 2021 since it would be difficult to have an election. Also being considered is applying 2020 membership dues to the 2021 year. This needs to be further studied as other details need to be worked out. Your thoughts and ideas on this are solicited and would be greatly appreciated. Call, text or e-mail any officer with your comments.
