## Vice Presidents' Square

*Our Fall Mainstream lessons are off to a great start with 31 students signed up. Looks to be a great class with our instructor, Gary Hutton, doing a great job handling such a large group. We could use more Angels so please come on out on Tuesday nights to help get these new folks dancing. The Krannert gym has been a great venue for a large group like this. We had seven squares counting students and Angels. Our media blitz really paid off this year. Thanks to all who helped spread the word about the lessons. All we have to do now is to make the lessons so exciting that the students will keep on dancing --- either in our club or in another one. Got'em hooked --- now we have to land'em.*

*Keep On Dancing!*
