Our 62nd year

Presidents' Square

Some round dancing has begun here in the Central Area. There will be an 'All Rounds' dance in Anderson at Journey Church on September 20, from 2 to 5 pm with Nancy Fulaytar and Gary Hutton cueing. Footloose has canceled all square dances but they are planning to fill their schedule with all Round Dances. You can e-mail Nancy at nfulaytar@yahoo.com or call her at 1-765-662-2553 for information. Word has it that they are using a lot of new dances and that you may want to take additional lessons to pick up the new steps. Call Nancy for information on lessons.

No change for Laughing Squares; our facility remains closed as of this writing and I foresee no square dancing in the new future.
