## Vice Presidents' Square

**OK Dancers – it's beat the bushes time!! We need students for our upcoming class starting Tuesday, September 7. We cannot emphasize how important this class is this year. If we are to survive as a growing club, we need to bring in new dancers. Flyers and public announcements really don't get the recruiting job done. It's personal invitations and testimonies to prospects – so let's get to it. Invite anyone and everyone to enjoy the great benefits of square dancing – use bribery and flattery if you have to. Also, we need our Angels to be there. Let's make this the great class of 2021!!**
